Sex in China introduces readers to some of the dramatic shifts that have taken place in

Chinese sexual behaviours and attitudes, and public discussions of sex, since the 1980s. The book explores what it means to talk about ‘sex’ in present-day China, where sex and sexuality are more and more visible in everyday life. Elaine Jeffreys and Haqing Yu situate China’s changing sexual culture, and how it is governed, in the socio-political history of the People’s Republic of China. They demonstrate that Chinese governmental authorities and policies do not set out strictly to repress ‘sex’; they also create spaces for the emergence of new sexual subjects and subjectivities. They discuss the complexities surrounding the ongoing explosion of commentary on sex and sexuality in the PRC, and the emergence of new sexual behaviours and mores.

Sex in China offers clear, critical coverage of sex-related issues that are a focus of public concern and debate in China - chapters focus on sex studies; marriage and family planning; youth and sex(iness); gay, lesbian and queer discourses and identities; commercial sex; and HIV/AIDS. This book will be an invaluable resource for students and scholars both of modern China and of sex and sexualities, who wish to understand the role that ‘sex’ plays in contemporary China.

## 评论

三星半吧 前面写挺好 到最后像凑字数了  
为啥要大篇幅介绍李银河老师和潘绥铭老师的生平呢?

-----  
introduction真是棒 后面也不算烂尾吧 就是描述远多于论证 没有intro argue得好

-----  
介绍部分抛出了很大的一个野心，不过后面落实到每个章节的分析就马马虎虎了。
