Stubborn Groundhog simply can't wait until February 2 to wake all his friends up. Groundhog loves to run and play. When winter comes, Groundhog does not want to hibernate. His friends warn that he'll be hungry and cold and lonely, but he just won't listen. Yet he soon discovers his friends were right. Then he has a brilliant idea. He'll have an EARLY spring. All his friends will wake up, and they can all have fun together again. But his friends aren't too happy when they find out Groundhog has played a trick on them. A great new twist on the groundhog's annual February ritual, this story is

guaranteed to entertain, with a willful hero that children and adults will instantly recognize.
