Moonbeam Children's Book Awards, 2007 Silver Medallist - Picture Book Category Quill and Quire's Best Picture Books of the Year selection, 2007 "Raven, will you carry me into the northern skies?" A stunning book by an acclaimed artist Batik artist Lynn

Blaikie calls on Raven to take the reader on a magical tour of the North. Here readers will dance beyond the northern lights and plunge into the icy deep, where whales mingle with dolphins. And they will find the warmth of the fire pit, where "hand in hand the spirits dance." Her simple poetic text is enhanced with stunning images created in batik, filled with rich colors and powerful designs that evoke the spiritual landscape and peoples of the remote north. A beautiful introduction to the North for children and a book for art lovers to treasure.
