Octavia and Her Purple Ink Cloud. Octavia Octopus and her sea-animal friends love playing camouflage games to practice how they would hide from a "big, hungry creature." Octavia, however, just cannot seem to get her colors right when she tries to shoot her purple ink cloud. What happens when the big, hungry shark shows up looking for his dinner? This creative book introduces basic colors along with the camouflage techniques of various sea animals, a great introduction to marine biology

To top it off, as parents love teaching their children; "practice makes perfect " The "For Creative Minds" educational section includes fun facts about animal camouflage and protection and about octopuses. The craft uses primary colors (paint or tissue paper) to help children learn about blending colors. All Sylvan Dell titles feature free educational resources at [www.SylvanDellPublishing.com](http://www.SylvanDellPublishing.com), including the "For Creative Minds" sections and additional teaching activities. 2007 Moms Choice Award Finalist
