Finally there is a book made entirely for you-a very special kid-to keep track of all your best buddies' addresses, favorite activities, and even what they look like The Ultimate Friend Book is an address book made especially for kids Keep track of over 45 of your

close family members and friends by having them fill out their own "All About Me" and "My Favorites" pages, where they can record for you their addresses, phone numbers, email addresses, birthdays, and even their own self-portrait. And there's more You will also get to know your friends like never before-what kind of pets do they have? What are their shoe sizes? What sports do they like to play? How about their favorite ice cream flavors? You and your friends are sure to have a ton of fun with this book Recommended for ages 7-12.
