出版者: Trafalgar Square Books

出版时间: 2005-9

装帧: Pap

isbn: 9780340911167

Ideal for use in Foundation Stage and Key Stage 1, these simple poems get to the heart of childhood emotional experience. They are hugely entertaining in their own right, wonderfully supplemented by the witty and humourous illustrations, thus making them ideal for literacy work. They also make a great starting point for discussion about feelings and behaviour. No Early Years setting should be without this valuable book.
