著者:Elliot Erwitt

出版者:teNeues

出版时间:2014-9-15

装帧:Hardcover

isbn:9783832798574

Photographic master Elliott Erwitt has created many noteworthy portraits of womankind over the years. In *Regarding Women* he presents us with an exceptional collection composed (almost) exclusively of black-and-white female portraits. This volume is Erwitt's evocative personal tribute to female strength, intelligence, and

beauty. The archival material spans several generations, with many images not previously published or rarely seen before. Conveying respect, admiration, and sometimes awe, these photographs portray all the complex elements that make up the feminine nature, whether formidable and tenacious, or occasionally capricious and coy. Through capturing their many varied facets the photographer shares his insights into how all kinds of women make their way into-- not to mention their mark on--the world. In these pages, readers will find romance and glamour, touches of sensuality, as well as much affection. Of course, there are also those disarming flashes of candid everyday humor that are so quintessentially Erwit.

I'm a big girl now. PS 排版很可爱又调皮  
-----

艾略特是一个真正热爱生活的摄影大师，富有情感、人性，又不失幽默的照片真是让人一见倾心。这本关于女性的黑白摄影集，37\*28cm的尺寸，看的好爽，值得珍视。
