Isabelle, a woman in her thirties without any of the trappings of a grown-up life, has just been fired from her job at a San Francisco phone company. Returning to the midwestern suburb of her childhood, Standardsville, Illinois, she contends with her dating single mother, a neighbor who once appeared on The Honeymooners, and an ex-boyfriend. She also becomes a mystery shopper for a temp agency, posing as a variety of potential tenants for newly built suburban communities to access their exclusive services. Enchanted by the possibilities of disguise, Isabelle spins a web of lies that keeps the world at a distance until she unearths long-kept secrets that force her to rethink everything she thought she knew.
