"Clare Layton is one to watch . . . highly enjoyable and thoroughly recommended."-Ian Rankin "A tense and gripping thriller."-The Mail on Sunday Oxford, 1970: A young and promising student hangs himself, leaving his friends and family stunned. His girlfriend claims he raped her, but his friends can't believe it. London, 2000: Ginty Schell, a young, ambitious journalist, focuses on the group's notorious story. As they fight to save their reputations, she finds her own life rocked to its foundations. Clare Layton was born and still lives in London. She has also written mysteries as Natasha Cooper.
