In the heartwarming tradition of Richard Paul Evans's *The Christmas Box*, this timeless story will inspire all generations. With the whole family convened for holiday festivities, Grandpa speaks from his heart to his wife, children, grandchildren, and great-grandchild. "This may be the last Christmas I get to spend with each of you, so I want to give each of you a letter." The nine envelopes Grandpa hands to his family each contain a personal story of how they brought joy to him, and a life lesson that not only speaks to them but moves readers to reflect on the ways their lives have been touched by their loved ones.
