It seemed like a simple job-guide Josh and Sarah to Bow Ridge to live with their aunt until they reached their 18th birthday. It was want their aunt Rebecca wanted, and the best choice Calico Ramsey thought he could make. But someone wants them dead, which makes no sense to Calico. Neither do the feelings aroused by the nearness of the handsome young man from Chicago-feelings that seem to be returned, and nothing in his past has prepared him for either.
