Miss Malarkey can make a reader out of anyone. Principal Wiggins promises to dye his hair purple and sleep on the school roof if the students read 1,000 books this year. Miss Malarkey is determined to find the right book for each student so they'll participate in the school program, and learn to love reading. She's got a tough audience -- video game fanatics, artists, sports lovers -- nonreaders all. But she won't give up until Principal Wiggins can flip his purple wig. With all the new pressures being put on teachers these days, the one thing everyone agrees about is the need for all children to learn to love reading. Now, the best-selling Miss Malarkey series uses all the programs and initiatives developed to help children read as fodder for the humor mill, keeping everyone laughing about this important topic. No teacher, librarian or parent should leave this book behind
