A special day with Daddy can be a whole lot of fun. Just don't tell Mommy. . . When Mommy leaves town, a young son has a day out with Daddy. Whether they're starting the day with a good breakfast, of every donut and pastry available, or finishing it with a late, late show on T.V. (with Daddy watching with eyes closed), everything is extra fun.

Daddy sure likes to do things his own way Each event in a boy's day is filled with double meanings and humor when told from his unique point of view. Mommy will be so sorry she's missing out on all the fun.
