"One summer day, someone new waddled into Baron's life. Her name was Fluffy." So begins the adorable tale of a dog, a duck, and a perfect companionship. Perfect, that is, until Fluffy joins up with the wild ducks from the pond. Baron is suddenly alone—no

one to play with, eat with, or cuddle up with at night. But when those wild ducks fly away, Baron’s in for a surprise—and more friends than he ever expected! In this delightful tale of loyalty rewarded, Laura Rankin’s spare text and stirring art speak volumes. Based on a real-life dog and duck duo, Fluffy and Baron has the feel of a timeless childhood favorite.
