The heavy fullback went down right on top of him. I heard this terrifying scream come out of Kurt. Kurt was not usually a screamer. I'd never heard him utter the slightest whimper of pain, ever. He was as tough as they come. A whistle blew. The ball had missed the net. Nobody knew what I knew. I was over the rickety fence and running onto the field. The referee pulled the Fairview goon off of Kurt, but Kurt was still curled over on the grass. Coach Kenner yelled at me to get off the field. He and Jason both came chasing after me. They thought I'd lost my mind. A kid falls down in a soccer game, big deal. But I knew better. When Kurt is hurt in a soccer game and ends up in the hospital Tina tries to help him, but nobody will tell her what is wrong, and Kurt's parents don't want her around. Tina learns that Kurt needs a donor with a rare blood type, and she finds a match in Kurt's soccer rival Jason. Jason agrees to donate his blood to Kurt, but when Kurt disappears from the hospital, the situation becomes desperate. Then Kurt's rival is in a tragic accident that may change everything. Lesley Choyce is the author of over forty books for children and young adults including two books in the Orca Soundings series, Refuge Cove and Thunderbowl.
