Everyone knows that teachers belong in school. But one day, Mrs. Quirk is spotted in the supermarket. And, as if that isn't bad enough, she is later seen trying on skates at the mall. Does she have a secret life? And just who "is" that girl that looks just like her -- only smaller? In this delightfully zany picture book, every child's curiosity is made

wonderfully plain as Mrs. Quirk and her cohorts are found out at last
