What number comes right after 3? Pick out all the round objects in the picture. When you ride a bike, what should you always wear on your head? Plus alphabet puzzles, number quizzes, mixed-up stories, prices, "What's wrong with this picture?" pictures, shapes, rhyming, patterns, lives of the animals—and don't forget the Genius Points! Here are 300 questions and answers to build essential learning skills as parents and children work together.

Vetted by a panel of America's highest award-winning teachers, and embraced by kids and parents because it flat-out works, Brain Quest opens a world of information and education with its fast-paced question-and-answer format, bright full-color illustrations, and lively attitude.
