Smarter. Fresher. Better.

And now with new content, and new packaging.

Announcing the relaunch of Brain Quest , America' s #1 educational bestseller with over 23.7 million copies in print. Featuring a complete updating of the content and an eye-catching, brainy-retro new look, this is a dazzling makeover, inside and out.

For kids, it' s fun unplugged. For parents, it' s the easiest, most trusted way to know if their children are keeping pace. Assisting in the relaunch is an advisory panel of ten of America' s top educators, each of them winners of Teacher of the Year or Milken National Educator Awards. The result: completely revised questions and answers, with up to 20%new material, to bring each deck up to the standards of today' s curricula. The content is the same that kids will find on standardized tests, handled in such a way that it promotes mental flexibility.
