isbn:9780740755781

Every masterful image by famed photographer Anne Geddes is a testament to the unmistakable love and admiration she holds for babies and children. Now, in 123, Geddes uses her remarkable talents to delight an entirely new set of (soon-to-be) readers. The pages are bursting with bright, colourful images and are printed in a larger, kid-friendly size--just perfect for little hands. It will make learning numbers fun for children and parents alike.
