

Spring

[Spring_下载链接1](#)

著者:Roca, Nuria

出版者:Barrons Educational Series Inc

出版时间:2004-8

装帧:Pap

isbn:9780764127335

Large and beautiful color illustrations on every page of this book--one in a brand-new four-volume series--will appeal especially to early grades boys and girls. Kids will also

love having the simply written descriptive text read to them as they gaze at the charming pictures--and as they get just a little older, they'll be able to read the text by themselves Both words and pictures evoke the moods and activities of spring, and the illustrations show children at seasonal play
