Children love word searches...and these 50 tricky puzzles have a fun twist All the words in the search list are scrambled, so before kids can even begin to look, they have to solve the anagram. That's just like having SCRABBLE(R) letters in front of you and having to figure out what words they can spell. To make things a little easier, each puzzle has a theme and all the words are placed in alphabetical order. There's "After School Snack" (including bananas, cookies, peanuts, and pizza), "At the Theater," "Colors," "Garden," and many other appealing categories.
