The stupendously successful "I'm Going to Read!" series has already attracted a new generation of readers with wonderful stories and appealing art. And now an exciting new addition - "I'm Going to Write! Workbooks" - offers parents and children another

great way to enjoy interactive, educational playtime together. Picking up a pencil and writing legibly requires good motor skills - and that's what this workbook helps build. It focuses on the coordination necessary to write properly by giving children words and letters to copy, as well as helpful information on how to form each letter.
