出版时间:1988-8

装帧:HRD

isbn:9780688063696

A series of simple questions directs young readers to determine the differences between seemingly similar objects, encouraging them to develop powers of observation, discrimination, and visual analysis. There's plenty of opportunity to practice counting, too (but that's just the beginning!). With eye-catching, bold illustrations by a two-time Caldecott Honor-Book recipient.
