A range of textbooks covering many of the options available on GCSE history specifications. This text covers the history of the USSR from the 1905 revolution through the Khrushchev years to 1997. Particular attention is paid to the collapse of the tsarist regime, the revolutions of 1917, civil war and the New Economic Policy, and the influence of Lenin, Trotsky and Stalin on Soviet history. The questions and activities are suitable for students of varying abilities and a range of written and visual sources encourage student involvement.
