Where is the earth?Where is the sun?Where are the stars?

Now in a Dragonfly edition, here is an out-of-this world introduction to the universe for children.With earth as a starting point, a young astronaut leads readers on a tour past each planet and on to the stars, answering simple questions about our solar system. In clear language, drawings, and diagrams, space unfolds before a child's eyes.Colorful illustrations, filled with fun and detail, give children a lot to look for on every page and a glossary helps reinforce new words and concepts. A terrific teaching tool, Me and My Place in Space is an easy and enjoyable way to introduce the concept of space to the

very youngest astronomers.
