著者:Hoban, Tana

出版者:Harpercollins Childrens Books

出版时间:1995-5

装帧:HRD

isbn:9780688127626

"In this wordless picture book....Attention-grabbing color photographs float in the middle of each page, accompanied by a color graph that pictorially represents the proportions of the various colors found in each picture. The result is an engaging color game with many uses. Very young children will enjoy naming the pictured objects, while older readers will be drawn into exploring the colors' varying tones. A book children will come back to over and over." -- Horn Book.
