装帧:HRD

isbn:9780152164805

Joe Louis was a fighter, a world champion boxer, a "punching machine." But more important, Joe Louis was a hero. At the beginning of his fighting career, he was a hero and a symbol of hope to African Americans. Later, Joe Louis became a hero to "all "Americans, uniting blacks and white boxing fans in their hatred of the Nazis and their desire for him to beat the German fighter Max Schmeling. With powerful text and luminous illustrations, the award-winning, picture-book team of David A. Adler and Terry Widener" "has brought to life the true story of one determined individual who overcame racism and poverty . . . and inspired a nation. "Includes a time line highlighting key events in the boxer's life."
