Whassup with your relationships? Do you have trouble snagging a guy -- or that guy? Does your boyfriend not make you a priority? Do your girlfriends run hot and cold more than you'd like? Based on thousands of e-mails she receives from around the world, Dr. Gilda -- formerly MTV Online's "Love Doc" -- has written a book that addresses teen issues as they really are. "Teen Talk with Dr. Gilda" shows girls how to protect themselves from the not-so-good guys and girlfriends, find stable, loving relationships, and prevent a lifetime of unhealthy and unhappy commitments. Jampacked with quizzes, exercises, and her famous "Gilda-Grams," "Teen Talk with Dr. Gilda" is a must-read for all teenage girls -- as well as their concerned moms. Gilda-Grams to Remember No matter what a guy tells you, the only things to believe are his actions. To "have" a good friend, you must be a good friend. Attracting attention is not the same as attracting love. It's not important to be part of a couple. It's more important to be part of the "right" couple.
