isbn:9780736807951

Explore the history of U.S. immigration in the Coming to America series. Readers will learn the reasons why people left their homelands to start a new life in America and will follow their journeys through time lines and maps. Recipes and activity sidebars

also allow students to celebrate the rich heritage and cultural contributions each group has made to American society. This series explores and supports the standards under "The History of the United States: Democratic Principles and Values and People from Many Cultures Who Contributed to Its Cultural, Economic, and Political Heritage," as required by the National Standards for History.
