It's the night before Christmas and everyone is sick in bed. All except brave Madeline, who is up and about and feeling just fine. Taking care of eleven little girls and Miss Clavel is hard work, but Madeline finds help from a magical merchant peddling flying carpets door-to-door. Now the girls are going on a Christmas journey that will surely make them forget their sniffles and sneezes. Great for gift-giving and group sharing, Madeline's Christmas now joins the five other books about Madeline as a deluxe, full-sized paperback.
