Like most dogs, Jake loves playing fetch. Unlike most dogs, Jake loves music even more. He loves to wag his tail to the beat of an ordinary day and "sing" with the birds. When his friend Richie, the principal stagehand at the Philharmonic, brings Jake to work one day, Jake is treated to a lesson in real music. He "woofs " to the tweeting woodwinds and "ruffs " to the deep horns, but when he hears the entire symphony orchestra practice, he knows to be quiet and "listen." And when a crisis develops at that night's performance, Jake steps onstage and steals the show. Inspired by the real-life mascot of the New York Philharmonic, "Jake the Philharmonic Dog" is a pitch-perfect introduction to the different sounds and instruments of the orchestra.
