These books show kids as young as four years old how to start drawing on their own using subjects they're sure to love. Each book in the series includes an engaging story

that will inspire kids to illustrate the featured characters. A special flip-down paper pad is preprinted with 11 unfinished drawings for the child to complete, helping the child build confidence in new drawing skills. And when each drawing is finished, a special "reward" sticker provides a sense of accomplishment.
