isbn:9781891327902

Perfect for very beginning readers and even pre-readers It is time for Lulu to be off to school, but she can't find her shoes All her little bug friends get off the school bus to help her find them. Now everyone is late, the frolicking searchers are messing up the house, and Mother Ladybug is not very happy Featuring a lot of humor and a common situation that all children can identify with, this book is sure to be shared again and again
