This title is intended for ages 9 to 12 years. Even kids who think they hate singing cannot resist the goofy tunes in this songbook. Written specifically for upper-elementary and middle-school students, parodies of old favourites like "My Bonnie Went in for a Face Lift" and "Oh, My Darling, Frankenstein", and hilarious original tunes like "Snot Is Not the Proper Subject for a Song" and the tongue-twisting "Impossible to Sing Song" keep kids laughing while they learn to love singing. Short, melody-only versions of the songs photocopy easily and are accompanied by

full-piano leader editions.
