Gotcha ! With more than 350 pages filled with trickery, sucker bets, and mind-blowing stunts, young jesters will find plenty to keep them busy--and keep their friends off-balance. After all, with gags that range from the famous tablecloth pull to a brand-new spin on dollar-folding tricks, who knows what could be coming next? This

Little Giant Book is simply one-stop shopping for all kids' prank-playing needs. Wily youngsters can make tricky moves with funny money, do astonishing acts with strings and things, lead people astray with misleading riddles, and make magic with numbers. Sometimes, the fun comes from challenging another person to do something that actually is impossible. Amusing line drawings throughout and detailed explanations of how each gag works add to the good times.
