Yes, the magnificent Grand Canyon sprawls across northwestern Arizona. Many of us have been there and many of us will visit it soon, but how much do we know about the rest of this southwestern state? Author Barbara Gowan and illustrator Katherine Larson help elementary-aged students and older readers alike discover the wonders of the Grand Canyon State through rich images, informative expository text, and simple rhymes. "G is for Grand Canyon"'s multi-tiered approach to educating and entertaining assures that this fall thousands of readers will travel through pages from A to Z, in and around and beyond the Grand Canyon.
