著者:Henri Matisse

出版者:Prestel Publishing

出版时间:2003-03

装帧:Hardcover

isbn:9783791328584

Henri Matisse created some of his most exquisite works by cutting shapes out of paper. Delightfully entertaining and playfully inventive, his "drawings with scissors" are also a superb introduction to the most basic artistic concepts: color, line, and form. This engaging and accessible look at Matisse's cut-outs, arguably the highlight of his magnificent career, follows the artist as he goes in search of pure forms of expression. Illustrated with beautiful reproductions of Matisse's most famous works, the book relates an imaginary tale about how the colors and shapes created by Matisse come to

life, carrying the reader off into the artist's fantasy realm. It reflects Matisse's spontaneity, his love of bold colors, and his seemingly effortless ability to capture movement on paper, which make him an artist of great appeal to children. Fun and easy-to-follow, this exploration of Matisse's cut-outs invites children of all ages to draw with scissors just like the artist, using the sheets of paper printed in Matisse-inspired colors included in the book.
