Spend a day with the Princess and her friends in the forest. Dew children help to get her dressed, and comb her golden hair. Little moss children bring her a delicious forest

breakfast, then she practises her writing with Mrs Crow, her teacher. Next its playtime! The Princess plays with her animals friends, the deer, hares, squirrels and birds, before telling stories to the mushroom and toadstool children. Finally, the star children light her way to bed. This is a beautiful story in Sibylle von Olfers' classic decorative style, sure to enchant younger readers.
