YOU CAN GIVE YOUR BABY A GREATER CHANCE FOR HEALTH AND HAPPINESS—MONTHS BEFORE BIRTH!

A pioneering physician, Dr. Thomas Verny, gives startling new evidence based on two decades of medical research.

Your unborn baby is:

- Capable of learning
- Able to warn you of medical problems you and your doctor may not be aware of
- Able to hear and respond to voices and sounds—including music
- Sensitive to his parents' feelings about him
- Capable of responding to love
- An active, feeling human being.

The ways in which you respond to and care for your unborn child may affect his physical and emotional well-being for the rest of his life. The choices you make today about your child's birth may make a vital difference for years to come. You can prepare your unborn baby for a happy, healthy life. This remarkable book will show you how!

A gift to every loving, caring parent. A book that will change the experience of pregnancy and childbirth forever!
