Chameleon is tired of constantly changing colors. He blends in wherever he goes and no one ever sees him. Hippo, however, is envious of Chameleon. He would love to be a different color. Surprisingly, all of the other animals in the jungle would too. So Chameleon sets to work painting stripes on the lion, polka-dots on the elephant using every color and pattern under the sun. But as the animals soon learn, changing their original appearance causes problems they never expected...
