著者:Knox, Barbara

出版者:Capstone Pr Inc

出版时间:2003-1

装帧:SAL

isbn:9780736816847

Build phonetic awareness and support content-area learning with these fascinating nonfiction books. From A to Z, these books match the letters of the alphabet with vivid, full-color photographs. They teach letter recognition and capital and lowercase letters--plus letter names, shapes, and sounds. The easy-to-use arrangement supports older students in writing reports. It is consistent with national language arts standards.
