isbn:9780205466269

This book provides prospective and current teachers with the skills and knowledge to understand and improve their own and their students' communication behavior. By combining theory and practical advice, this book focuses on the reasons for using

certain communication strategies and how to implement them. Communicationfor the Classroom Teacher covers a wide range of classroom communication issues, including interpersonal and small group communication; listening skills; verbal and nonverbal communication (from both the teacher's and student's perspective); instructional strategies such as lecturing, discussions, and storytelling; teacher influence; ethical considerations; and racism/sexism in the classroom.
