Every busy, harried woman wants to be more organized. But actually satisfying that desire is another story. Why does organization have to be so difficult? It doesn't. Not according to The Organizer Lady(TM). She's back with an all new, forty day plan that will help women achieve a well-ordered home and life. Practical and easy to apply, Organizing Magic shows women how to get control of the clutter, chaos, and disorganization of their homes. Each day they'll learn tried and tested organizing tips such as how to - recognize the time realities of modern life - simplify your solutions - wrestle that e-mail to the ground - handle paperwork - zap hidden hindrances - and more. Readers no longer have to settle for mess. With a fun, two-color interior, reader-friendly design, and Sandra's own signature warmth and compassion, Organizing Magic will show women how to create an organizational system to manage their space and time. Organizing doesn't have to be difficult, says Felton. Because an orderly home is never more than forty days away.
