isbn:9781571203403

Here is the ultimate guide to creating your very own fantastic Christmas decorations. These fantastic projects - including Christmas garlands, tree-top angels, gift-boxes, gingerbread houses, sleighs, and advent calendars - are easy to make, display and

store. Each project uses only a small amount of material, so expense is kept to a minimum and family fun to a maximum. This is a must have volume for anyone who wants to make fabulous festive decorations.
