simple-sew projects to transform every room into the romantic retreat you've always wanted.

In this step-by-step guide, Christina Strutt, owner of the popular Cabbages & Roses fabric company, shows readers how to make a wealth of projects for the kitchen and bathroom, sunroom, and bedroom—and for gift giving, as well. A skilled stylist and designer, Strutt demonstrates how to create a look that is personal and unique, but not at all labor intensive. Reusing old fabrics and accessories in new ways allows the vintage and the modern to mingle beautifully—and also saves money and time.

The charming projects highlighted in this delightful illustrated book include crisp linen chair covers, a chic fabric headboard, pretty flower aprons, dreamy voile bed curtains, and soothing scented herbal pillows.

Even if you've never sewn a stitch before, Romantic Home Sewing will guide you through each technique for polished results.

If you desire a home filled with hand-finished, personal objects, let Christina Strutt be your guide. The result will be an oasis of comfort, whimsy, and true romanticism.

From the creative talent behind Britain's beloved Cabbages & Roses vintage-style fabric company, Romantic Home Sewing includes thirty easy-to-sew projects that will transform your home into a warm, lovely tableau of hand-crafted detail. From pillows to aprons, duvet covers to lamp shades, Romantic Home Sewing is the ultimate guide to creating the inviting, charming home you crave—all with your own two hands.
