Does your inbox over-flow'eth? Let's face it--most of us don't like filing, and we really don't like rethinking our organizational methods (or lack there of). Most of us are stuck in a rut, be it a constantly messy desk, a workspace that always feels too cramped and cluttered or a persistent queasiness when faced with organizing an event at work, running an efficient home office or even sorting the mail, let alone our dresser drawers. Filing, it seems, is a metaphor for all the little things we don't want to bother with. Finally--there's someone we can count on Sharon Mann is a fun-loving but practical figure for those swamped by work and life. Known for her informative wisdom and sassy sense of humor, her I Hate Filing Club has thousands of members who look to her to take organization past the drab, boring details, giving this so-called chore some sparkle and pizzazz.
