This book contains over 100 fabulous step-by-step jewellery projects, including necklaces, pendants, bracelets, earrings, brooches, pins and hair-slides. It takes you from novice to expert, covering all aspects from bead purchase and storage to

jewellery making and even display and selling. It features beads and components from worldwide sources in a dazzling variety of styles, colours, sizes and shapes. Easy-to-follow instructions cover a huge range of techniques from simple and traditional to modern and innovative. Extensive suppliers list ensures the reader has the pick of the best beads available.
