isbn:9781594741036

Quirk Owner's Manuals have taught readers how to "repair" and "maintain" babies,

toddlers, dogs, and cats. Now we're tackling the biggest and most complicated "appliance" of all your home! Through step-by-step instructions and techy schematic diagrams, The Home Owner's Manual explores hundreds of frequently asked questions: How can I drain the sludge out of my water heater? What makes my radiators "hiss" at night? Is there any easy way to unstop a toilet? How can I fill a crack in my wall? And when should I seek professional help? You'll also find advice on inspecting a new home, moving in, redecorating, emergency maintenance, and much more. With plenty of helpful illustrations to guide you along, The Home Owner's Manual makes household maintenance a breeze.
