出版时间:2006-5

装帧:Pap

isbn:9780896891425

The fifth book in the series by Jeanine Twigg uncovers the latest concepts in piecing and gives readers step-by-step instruction in foundation, crazy and innovative piecing techniques for embroidery and standard sewing machines. Readers will find: solid

techniques for completing innovative projects; instructions that will save time and help machine embroiders become more familiar with the capabilities of their machine; and beautiful home decor projects and accessories including a wall hanging, table runner, tote and purse.
