Memories of a Lifetime Introducing a big, beautiful new series, filled with exquisite images printed on just one side of the high-quality paper so they're perfect for cutting

out or photocopying. The vintage art showcased in these compilations would otherwise take years to collect, but Memories of a Lifetime gathers them in luscious large-size volumes: choose from romantic, Victorian-style illustrations; lovely floral and nature designs; borders and frames; and pretty alphabets. With 500 or more charming pictures in each, these collections are a remarkable value and will delight the thousands of paper crafters and scrapbookers always on the lookout for inspirational material. Alphabets & Ornaments It's as easy as ABC to create beautiful scrapbooks, cards, and other decorated projects with these vintage alphabets and classic ornamentations. From ornate Victorian lettering to antique word tile images, from baroque initials to cherub letters, the range of charming designs offers something for everyone, and really turns an ordinary page into something memorable and unique. Use them to make monograms or labels for a journal, to write an irresistibly lovely message, or to embellish a memory box. Some of the alphabets are pretty as a picture just shown off as is.
